

Cyberint

Corporate Reports Drive PR Success

Cyberint Leverages Internal Research to Generate News

Challenge

Cyberint

Generate general business press coverage demonstrating Cyberint's **competitive advantage in threat intelligence**

Solution

Aggressively leverage
breaking news with
unique internal research

Results

A man in a dark suit, white shirt, and dark tie is running across a thick red ribbon that stretches horizontally across the frame. He is looking upwards and to the right with a determined expression. The background is a dramatic sky with large, white, fluffy clouds and a bright sun or light source breaking through on the right side, creating a lens flare effect. A green arrow points from the left edge of the image towards the text.
